Dear

Company:

The Columbus Meridian Kiwanis Club, will present a wonderful opportunity for families to be entertained for a fourth year by **world renowned magician Garry Carson**. The show will support the extremely important mission of local Kiwanis: "Serving the Children of Columbus". To date, the magic shows have raised **over \$27,000** for youth programs in Columbus. This year's show is all new and features Garry, wife Mihaela, and daughter Shany. The show will feature major new Illusions.

Sponsorship is a key part of making the show possible and the Kiwanis community service projects serving the children of our community:

- Summer Speech Clinic
- Kiwanis Reading Support
- Kiwanis Duck Splash for Kids Sake
- Race for Bicycle Safety
- K-BUG (Grade recognition program)
- Key Clubs at North and East High
- AKTION Club of Columbus (a service club for adults with disabilities)

Your sponsorship will benefit the youth of the community and the Kiwanis club would greatly appreciate it. Sponsorship will be acknowledged on our web site; in our advertising; in the program and on posters at the show.

Sponsorship is a unique opportunity to do something special for the community and support our community projects. The show is top quality family entertainment at an extremely affordable price. With your help, we will present the unique talents of Garry Carson and his wife Mihaela as our gift to the community. Garry Carson tours the world with a first rate show featuring, *Grand Illusions, Exotic Animals, Magic, and Comedy*, in an award winning family oriented show. He presents these programs exclusively as fund raisers for local organizations serving youth. His expenses are met by local corporate sponsorships permitting **100% of the ticket sales to be available to support local youth projects.**

After expenses have been met, individuals and corporations may become Ticket Patrons and purchase tickets for needy children and families. Tickets will be supplied to: Big Brothers / Big Sisters; Foundation for Youth; and Turning Point.

A representative of Kiwanis will contact you shortly to discuss renewing your sponsorship and the benefits of your support.

Thank you for your consideration;

David M Stehouwer
